# About Us

Welcome to Ganapati Weld!

## We work to build a better future

With a focus on quality, durability, and customer satisfaction, we aim to be your go-to partner for all welding needs. Whether you need new machines or maintenance support, Ganapati Weld is here to help you work with confidence and efficiency.

## Our Mission

At Ganapati Weld, our mission is to provide high-quality welding machines and expert servicing that help businesses and professionals work with ease and confidence. We aim to deliver durable, efficient, and affordable solutions to meet all welding needs.

## Our Vision

We envision becoming a leading name in the welding industry, known for our reliable products and exceptional service. Our goal is to support welders across the country with advanced technology and trusted solutions.

## Our Philosophy

We believe in quality, trust, and customer satisfaction. Every product we offer and every service we provide is focused on making welding easier, safer, and more efficient. Your success is our priority, and we are here to support you every step of the way.

# Services

Responsibilities

## Efficiency and responsibility

We believe in delivering high-performance welding solutions while maintaining a strong sense of responsibility. Our machines are designed for maximum efficiency, helping businesses work faster and smarter while ensuring safety and sustainability in every process.

## Welding Machine Sales

We provide high-quality welding machines that are durable, efficient, and designed to meet industry standards, ensuring smooth and precise work for professionals.

## Equipment Servicing & Maintenance

Our expert technicians offer reliable servicing and maintenance to keep your welding machines in top condition, reducing downtime and ensuring long-lasting performance.

## Spare Parts & Accessories

We supply genuine spare parts and essential accessories to enhance the efficiency and lifespan of your welding equipment.

## On-Site Repair Services

We offer prompt on-site repair services to quickly fix any issues with your welding machines, ensuring uninterrupted operations for your business.

**MMA 250i Welding Machine Repairing**

**Saw Machine Repairing Service**

**Plasma Cutting Machine Repairing**

**ARMAC MINI250 Inverter Welding Machine**

**ESAB Portable Welding Machine**

**ESAB Single Phase Inverter Based Welding Machine**

**ESAB 3 Phase MIG Welding Machine**

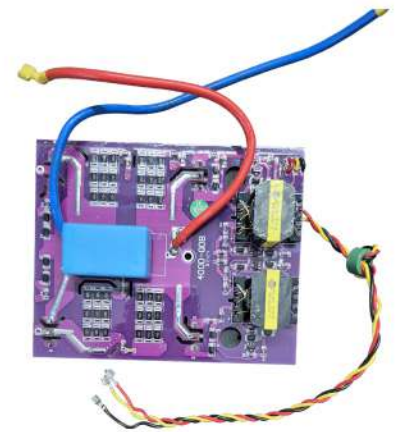

**ESAB SSR 600 Welding Machine**

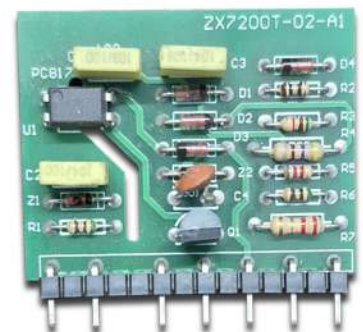

**15uf 250V MEA Capacitor for Welding Machine**

**ARC 400 IGBT Card Repairing**

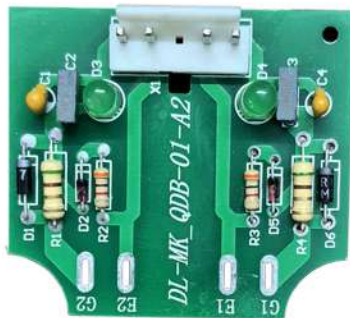

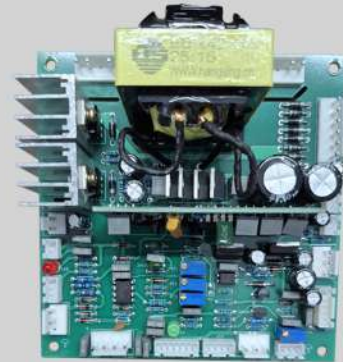

**Electrolytic Capacitor  
1000UF/250V CAP105D**

**Inverter Welding Machine Switching  
Power Supply PCB Repairing**

**12v 2a PCB for Electric ARC Welding Machine Repairing**

**Mild Steel Welding Machine PCB Card Repairing**

**ESAB Plasma Cutter Consumables Repairing**

**12V Cooling DC Fan, Fan Square**

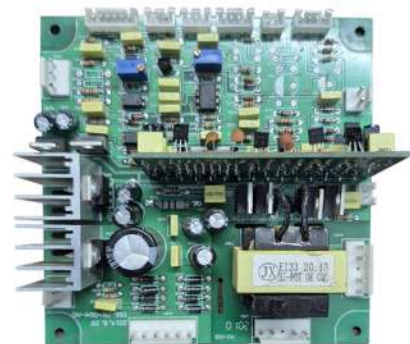

**MIG 400 IJ/500 IJ/600 IJ CONTROL  
PCB Inverter Welding Machine  
Repairing**

**Hall Sensor for Welding Machine**

**Panasonic Thyristor Mig/Mag Kr2  
Series PCB Repairing**

**Electric ARC 400 IJ Controller  
PCB Repairing**

**MIG Welding Machine Control Card Repairing**

**ESAB Welding Machine PCB Repairing**

**Thyristor Switching Module Servicing**

**ESAB Welding Machine PCB Repairing**
